Privatsphäre-Einstellungen (E-Mail-Adresse und Telefonnummer verbergen)

1. Click ▼ at the top right of any Facebook page and choose **Settings**.
2. Select **Privacy** on the left. Under the **Who can look me up?** section, you'll see a setting for your email and a setting for your phone number.
3. Use the dropdown menu next to each setting to select who can look you up using that info.
